

FRIENDS OF SALTVILLE LIBRARY

The Friends of Saltville Library are conducting a membership drive. You are cordially invited to become a member of FOSL – a non-profit volunteer group which supports public library service for our community.

JOIN THE FRIENDS OF SALTVILLE LIBRARY AND FIND YOURSELF AMONG FRIENDS. As a Friend of the Saltville Library, join other people who love their Library. Friends help support the Library in many ways – through fund raising, sponsoring educational and cultural events, letting the community know about Library services and activities, volunteering their time for special projects, and just having fun.

Activities could include speakers, workshops, book sales, etc. We hope you will join us and bring your own unique talents and ideas. There is so much the FRIENDS can do – we just need your help!

For my enrollment in the Friends of Saltville Library, I enclose my membership gift of
